ROOM BUDGET & TIMELINE

Currency	Your total budget	Protected reserve

Include taxes, delivery and installation. Keep your reserve separate. This is a manual worksheet; check every total.

Task / item	Planned	Confirmed	Paid	Still due

Forecast spend	
Still unallocated	

Forecast = confirmed costs + estimates for unquoted items. Unallocated = budget - forecast - reserve. Still due = confirmed cost - paid.

What is worth investing in? What can wait, change or be reused?
